

# Kentucky's Natural Beauty Is Our Scenic Heritage

Each year special interests seek to obscure scenic vistas along the state's highways with huge billboards and visual clutter.

Scenic Kentucky is your **advocate** in the legislative halls and town councils for the protection of our cherished landscape. In a recent statewide survey, citizens rated '**natural beauty**' as the quality that made Kentucky different from other states. A tax deductible gift will strengthen the fight against those who erect barriers between you and the Kentucky we love.
